**From:** OPW Fuel Management Systems  
**Subject:** OPW Exhibits New Fuel Management Solutions at M-PACT April 18-20 in Indianapolis

**Dear Valued Distributors,**

OPW will be exhibiting its latest fuel management products at the annual M-PACT Show, which is taking place April 18-20 at the Indiana Convention Center in Indianapolis, IN. Visit Booth 1501 to learn about these new fuel control and tank gauging solutions from OPW Fuel Management Systems:

### **Petro Vend 200 Fuel Island Terminal**

Featuring many a la carte options, OPW's PV200 Terminal is state-of-the-art and scalable for the unique needs of commercial fleets.

### **Phoenix SQL Lite<sup>®</sup> Fuel Management Software**

OPW is offering a [free 60-day trial](#) of its newest Windows<sup>®</sup>-compatible fuel management software.

### **Aqueous Ethanol Float Sensor**

Learn how the new [AEF sensor](#) from OPW provides leading detection of phase separation inside the storage tank.

### **SiteSentinel<sup>®</sup> Nano<sup>®</sup> Console**

Ask how the [Nano's](#) Mixed Multi-Drop Technology lowers costs at new tank gauge installations.

## **COMING SOON! New Interface for Verifone Commander Systems**

Stop by Booth 1501 to ask how OPW's new Verifone Commander interface will enable retail fuel sites to accept additional card types.

We look forward to seeing you during M-PACT trade show hours – from 1 to 5:30 p.m. Wednesday, April 19, and from 11 a.m. to 3 p.m. Thursday, April 20!

Best Regards,

**Bobby Hayes**
